Containing the freſheſt Advices Foreign and Domeſtick.

WILLIAMSBURG, Auguſt 29.

On *Monday* laſt, the following Addreſs was preſented to his Honour the Governor.

The Humble ADDRESS of the BURGESSES, met in ASSEMBLY, To the Honourable WILLIAM GOOCH, *Eſq; His Majeſty's Lieutenant Governor, and Commander in Chief, of the Colony and Dominion of VIRGINIA.*

SIR,

WE His Majeſty's moſt Dutiful and Loyal Subjects, the Burgeſſes of the Colony and Dominion of Virginia, met in General Aſſembly, beg Leave to return you our moſt unfeigned Thanks for your Speech, to the Council, and this Houſe.

We are truly ſenſible of His Majeſty's tender Care and Concern, extended to all, even the moſt diſtant of his Subjects. The many Inſults, Depredations, and Cruelties, committed by the Spaniards, call aloud for the warmeſt Reſentment from every true Subject of *Great-Britain*. And, ſince His Majeſty has thought it neceſſary to enter into a War with *Spain*, to vindicate the Honour of His Crown, and to repair the Loſſes of His Subjects, we think it reaſonable that the American Colonies, who are at leaſt equally concerned, ſhould contribute to the Expence of it.

We are ſorry that our Circumſtances will not allow us to do all we could wiſh; but beg Leave to aſſure your Honour, that we will chearfully do all that we are able, to comply with what His Majeſty has been graciouſly pleaſed to aſk of us, with a Condeſcenſion worthy of the Father of his People.

We ſhall take all imaginable Care, by our future Behaviour, to cheriſh and improve thoſe favourable Sentiments towards us, which our conſtant Zeal and known Loyalty to His Majeſty's Perſon and Government, have raiſed in His Royal Breaſt.

To which ADDRESS the Governor was pleaſed to make the following ANSWER.

Gentlemen,

I Thank you for your Dutiful and Loyal Addreſs: in which, as you aſſure me of your Zeal for His Majeſty's Service, and expreſs a juſt Senſe of the Obligation you are under, to aſſiſt His Majeſty in the preſent neceſſary Meaſures, I am convinced you will embrace this Opportunity of perfecting your Declarations, by granting the Supply demanded; an Eſtimate whereof ſhall be laid before you.

Yeſterday the Buſineſs of the General Aſſembly being brought to a Concluſion, his Honour the Governor, was pleas'd to ſend a Meſſage to the Houſe of Burgeſſes, commanding their immediate Attendance in the Council Chamber: Mr. Speaker, with the reſt of the Houſe, went up accordingly. And the Governor was pleas'd to give his Aſſent to the following Bill, *viz.*

An Act, for giving to His Majeſty the Sum of Five Thouſand Pounds, towards defraying the Expence of Victualling and Tranſporting the Soldiers, raiſed in this Colony, to ſerve His Majeſty on an intended Expedition againſt the Spaniards, *in the* Weſt-Indies.

I. WHEREAS His Moſt Sacred Majeſty, for vindicating the Honour of His Crown, for ſecuring the Trade and Commerce of His Subjects, and for revenging the Cruelties, Depredations, and Inſults committed by the Subjects of Spain upon thoſe of Great-Britain, hath thought it neceſſary to enter into a War with Spain: And whereas, in Purſuance of His Majeſty's Roial Inſtructions to his Lieutenant-Governor, a Number of Soldiers have been inliſted in this Colony, to ſerve His Majeſty on an intended Expedition againſt the Spaniards, in the Weſt-Indies: And whereas, His Majeſty hath recommended to, and required of, His good Subjects of this Colony, to provide for, and defray the Expence of Victualling and Tranſporting the ſaid Soldiers, and all other incident Charges, attending the Inliſting of them, (except their Pay, Clothes, Arms and Ammunition) til their Arrival at the General Rendezvous in the Weſt-Indies: And this preſent General Aſſembly, deſirous to give the utmoſt Teſtimony of their Loialty and Affection to His Majeſty's Perſon and Government, have reſolved to give ſuch a Sum of Money, as the Circumſtances of this Colony will allow, towards defraying the ſaid Expence and Charges; notwithſtanding the preſent low Condition of the Publick Treaſury, and that Money cannot be raiſed without borrowing the ſame, on the Credit of the ſmall Revenues ariſing by the Duties upon Liquors and Slaves:

II. *BE it therefore Enacted, by the Lieutenant Governor, Council, and Burgeſſes, of this preſent General Aſſembly, and it is hereby Enacted, by the Authority of the ſame,* That the Treaſurer of this Colony ſhall, and he is hereby impowered and required out of the Publick Monies now in his Hands, or which ſhall hereafter come to his Hands, and by borrowing ſo much as there ſhall be Occaſion for, in Manner as hereafter is mentioned,

to

to pay to the Honourable WILLIAM GOOCH, Eſq; His Majeſty's Lieutenant Governor of this Colony, the the Sum of Five thouſand Pounds; to be by him applied towards providing Victuals, Tranſports, and other Neceſſaries, for the Soldiers, ſo as aforeſaid raiſed, or to be raiſed in this Colony, for His Majeſty's Service, as herein before is mentioned.

III. *AND be it further Enacted, by the Authority aforeſaid*, That for raiſing the ſaid Sum of Five Thouſand Pounds immediately, as the Nature of the Service to which it is to be applied requires, the Treaſurer of this Colony be and he is hereby impowered to borrow the ſaid Sum of Five Thouſand Pounds, or ſo much thereof, as he ſhall find neceſſary and expedient, at an Intereſt not exceeding Six *per Cent.* And for encouraging Perſons to lend Money upon this Occaſion,

IV. *BE it further Enacted by the Authority aforeſaid*, That the Revenues or Duties ariſing by the Importation of Liquors and Slaves, ſhall and they are hereby declared to ſtand, be and remain, as a Security, for the Repaiment of the Money, with Intereſt, ſo to be borrowed by the Treaſurer, as aforeſaid. And the ſaid Treaſurer, is hereby required to repay the Money ſo to be borrowed, with Intereſt, out of the firſt Publick Monies that ſhall come to his Hands, either by Receipt of the Duties aforeſaid, or otherwiſe.

Then His Honour was pleas'd to make the following SPEECH.

Gentlemen of the Council, Mr. Speaker, and Gentlemen of the Houſe of Burgeſſes.

I Give you my hearty Thanks for the ready and chearful Grant of the Supply, His Majeſty, in His Wiſdom, thought proper to demand of you, for the Service of the Expedition, ſet forth with no other View, than to procure for his People a free Navigation, which, by Treaties, and the Law of Nations, they have a right to.

Your extraordinary and generous Aſſiſtance will, no Doubt, be remembred to your Advantage; tho' by doing your Duty as faithful Subjects, zealous for the Honour of our Sovereign, the Conſideration of our Trade, and the common Intereſt of the *Britiſh* Dominions, you have only anſwered your eſtabliſhed Character.

With my ſincere Wiſhes for your Welfare, it only remains for me to declare this Aſſembly prorogued to the laſt *Thurſday* in *December*.

BOSTON, Auguſt 20.

Extract from the Votes of the General Aſſembly.

His Excellency's SPEECH was read, and is as follows, *viz.*

Gentlemen of the Council, and of the Houſe of Repreſentatives,

THE Occaſion of my meeting you at this Time is to let you know, that in Conſequence of the Proviſion made by this Court for a Thouſand Men to proceed in the Expedition now forming, I have rais'd that Number, and that they muſt ſoon Embark, being expected at *Virginia* by the middle of next Month, there to join the Honourable Col. *Gooch*, who is to command the *American* Troops, and to proceed with them to the general Rendezvous, there to join the Right Hon. My Lord *Cathcart*, His Majeſty's General of all the Forces rais'd on this great Deſign.

Gentlemen of the Houſe of Repreſentatives,

The Committee appointed for providing Tranſports, Victualling, and other Neceſſaries, for the Troops of this Province, will lay their Proceedings before you, by which you will ſee what is further neceſſary to be done on your Part for making full Proviſion for the Men that are rais'd. I have already repreſented to His Majeſty how chearfully you came into the Charge of Victualling and Tranſporting Ten Companies; and I ſhall not doubt your doing every Thing yet remaining with you, that the Troops may be gone with the beſt Diſpatch, and which indeed the Time of Year loudly calls for.

Gentlemen of the Council and of the Houſe of Repreſentatives,

This Enterprize is ſo wiſely concerted for advancing the Honour of His Majeſty's Crown, and will be of ſuch Advantage to all His Dominions, and to theſe Colonies in a very particular Manner, that I depend we ſhall in our ſeveral Stations do every Thing in our Power to promote it, by which we may be aſſur'd we ſhall greatly recommend this Government and People to His Majeſty's eſpecial Grace and Favour.

J. BELCHER.

Martis 26 *Die Auguſti*, A. D. 1740.

Voted, That the following Meſſage be ſent up to His Excellency the Governour as Captain General, *viz.*

May it pleaſe your Excellency,

ALthough there are Ten Companies Inliſted and almoſt compleat to proceed on His Majeſty's intended Expedition to the Weſt-Indies, upon the Encouragement offered by this Government, and in Expectation of receiving here their Commiſſions and Arms from His Majeſty, agreable to your Excellency's Proclamation.

Yet in as much as four Companies have been judg'd as our Quota, & therefore there have been neither Commiſſions nor Arms ſent to this Government for any more, and ſeveral of the other Companies have not been at all diſciplin'd, and many of the Men are unwilling to proceed without Arms; and in as much as by the Honourable Col. GOOCH's Letter it appears that the Levies are expected at Virginia in about three Weeks at fartheſt from this Time.

This Houſe therefore have not Light to provide for Tranſports and other Neceſſaries for ſending forward the Ten Companies, eſpecially ſince they now find by an Eſtimate laid before them, that ſending the whole would require a conſiderable Sum of Money further, which can't be rais'd by reaſon of His Majeſty's Inſtructions to your Excellency, unleſs laid on the next Year, which is already charged with the very extraordinary Sum of One Hundred and forty five Thouſand Pounds, and our own Province lays in a very expoſed Condition, not yet fully provided for.

This Houſe therefore deſire your Excellency would not at preſent proceed any further reſpecting the ſix Companies which have neither Commiſſions nor Arms, than to deliver them their Bounty agreed on by this Court the laſt Seſſions.

They alſo earneſtly move that your Excellency would receive ſome ſufficient Proof before the Bounty is ordered

to be paid, that each Man has voluntarily Inliſted, and at the time of his Inliſting intended, bona fide, to proceed on the Expedition.

[*Another Meſſage, and the Governor's Anſwer to both will be inſerted in our next.*]

Charleſtown, South-Carolina, Sept. 6. On Sunday laſt arrived here Capt. Langdon and Capt. Hall, with two Prizes, of conſiderable Value.

Newport, Rhode-Iſland, Sept. 12. Laſt Tueſday arrived here Capt. Benjamin Carr of this Port from Liſbon, in 47 Days Paſſage, who brings Advice, that he came out in Company with four Sail more belonging to Philadelphia; that on the 27th of July laſt they met with 17 Sail of Spaniſh Men of War in the Lat. of 37 N. who took three of ſaid Veſſels in his ſight as Prizes, *viz.* Capt. Green, Capt. Mann, Commanders of two Ships, and Capt. Hamilton in a Brigt. all belonging to Philadelphia; and that he was chaſed himſelf, and narrowly eſcaped. He alſo informs us, that they had Advice at Liſbon, of a Packet Boat's being taken by the Spaniards, on her Way to England; with 18000 Moidores and three Wedges of Gold, and that another Packet Boat was attack'd by a Spaniſh Privateer, and in the Engagement loſt her Maſt, ſo that ſhe was obliged to put into Oporto to refit; and that after her going out again, ſhe was ſeen from the Land engaged with another Privateer.

Boſton, Sept. 15. On Friday Capt. Southerd arrived here in 15 Days from St. Chriſtophers, by whom we are inform'd, that on the 23d of Auguſt laſt Lieutenant General Flemming arrived there from England, in a Man of War of 60 Guns, which was Convoy to 11 Sail of Merchant Ships bound for Jamaica; and that the next Day the ſaid Ships coming in Sight of the Iſland, the Man of War join'd them, and they all proceeded on their Voyage. Capt. Southerd further informs, that two Days after he came out, in Company with nine or ten Sail of Ships from St. Chriſtophers and Montſerat, bound for England, they deſcried ſixteen Sail of tall Ships ſtanding the direct Courſe for the Havanna, one of which left the Fleet and ſtood for our Merchant Men, who all made the beſt of their Way; and Capt. Southerd having a ſtrong Gale of Wind, and his Sloop going well, he ſoon left the Fleet, (which had no Convoy) and knows not what further happened to them. As there had been a Report at St. Chriſtophers that 15 Spaniſh Men of War were in at Teneriffe, with three old Galleons, which were taking in Wine for the Havanna, ſome are of Opinion that thoſe Ships might be the Spaniſh Fleet.
